Dear Col. Brett:

I am enclosing the form in connection with our recent visit to Kingston.

I fear that my comments are not too constructive but as a matter of fact I have no adverse criticism to offer. I personally enjoyed the experience immensely and derived a great deal of benefit from it.

I can only assure you that if future tours are anticipated I shall do my best to have Ridley represented.

I shall look forward to seeing you at the School sometime in the near future.

Yours sincerely,

J R Hamilton, Esq., BA, LLD,
Headmaster,
Ridley College,
ST CATHARINES, Ontario

Dear Dr Hamilton;

May I extend to you, or your representative, an invitation to visit the Royal Military College and other military instructional installations in Kingston, Ontario, from 26 to 28 November 1957. I am inviting the Headmasters of other private schools in Ontario to participate in this visit. A similar visit was held in May 1957 and it was well received by those who attended.

The purpose of this visit is to make known to the Headmasters of private schools the career opportunities for young men in the Canadian Army and to show some of the facilities for academic training in the Army.

I am attaching to this letter an outline itinerary of the visit which will give you an idea of what we have planned for you. While I am unable to provide transportation to and from Kingston, if you can arrive at the Officers' Mess, RCEME School, Barriefield, during the afternoon or evening of November 26, my representative, Lt Col A C Brett, will meet you.

I would appreciate an early reply from you indicating whether yourself or your representative can accept this invitation in order that satisfactory arrangements may be made for your reception and accommodation.

Yours sincerely,

S. F. Clark

Dear General Clark:

I am most grateful to you for your letter of April 23rd in which you have extended an invitation to me to visit the Royal Military College at Kingston from May 12th to 14th. I regret, however, that I must decline the invitation because of pressure of work in the few weeks which are left in the school year.

I hope that this will not be the first and last of such proposed visits and that I may have an opportunity of accepting at some time in the future.

We are looking forward to having you with us on May 15th. I should like very much if you could arrive at my house about 2.00 p.m. and meet the other members of the Inspecting Party. The Inspection is called for 2.30 p.m.

Dear Dr. Hamilton:

We are in the midst of planning for our St Julien Day Parade to be held on April 28th, and we would very much like to have the Ridley College Cadet Corps parade with us as in the past. They could join us at the cenotaph at 1420 hrs.

Brigadier F.C.G. Page DSO.,OBE., has kindly consented to be our guest this year, and will take the salute at the Capitol Theatre on St Paul Street following the short service at the Cenotaph. I should like to have a Cadet Officer on the Brig. staff at the saluting base.

Following the parade, there will be an informal reception in the mess and you officers are cordially invited to attend.

The parade orders will be issued in good time.

Dear Captain Hutton:

Captain Spaulding has just brought me of the resolution which calls for the retirement of Major F.S. Cockburn as civilian instructor for our Corps. I realize that such resolutions are necessary but in this particular case I am wrieing to ask if some further consideration might be given in the case of Major Cockburn.

At the present time I cannot see any possibility of replacing him with anyone who could do the work as efficiently as he. His experience is invaluable. He also has the advantage of meeting these boys in the classroom and elsewhere in the school and is able to fit them in on the rifle range at times when a non-member of the teaching staff would not do so.

Later our new pension scheme our retirement age is 65. While I would not recommend that Major Cockburn be given consideration until that age, I should greatly appreciate his being permitted to carry on for a few more years.

I cannot speak too highly of the manner in which he has handled the rifle shooting in the Corps and how much the boys of the school have valued his instruction.

Yours very truly,

Dear Sir:

During last year's school term, officers of this Headquarters were given the opportunity of speaking to student groups at various high schools.

It was observed during discussion periods with students, that while they showed sincere interest in the many aspects of Army life, they did not have a clear understanding of the varied career opportunities available to suitable young men.

As an educator and community leader, I know you are aware of the ever increasing necessity and importance of the military profession to our society. I know you will also agree that our youth should be familiar with all aspects of this subject.

To aid and assist your guidance programme, it is my desire to offer you capable and experienced officers as speakers at senior student assemblies, or at career day forums should this be more suitable.

Will you please let me know if I may provide a speaker at a time and date convenient to you.
